DERBY CUP TO JIM THORPE

Leads All the Way in Long-Distance Feature at Blue Bonnets.

Medusa Furnishes Surprise by Annexing Champlain Stakes, the Secondary Attraction.

MONTREAL, Quebec, September 15.—Racing for H. A. Ekers of this city, Jim Thorpe, the nine-year-old son of Sain—Helen Virginia, had but little trouble in disposing of his opponents in the Derby Cup, at a mile and three-quarters, which was offered as the feature event at Blue Bonnets this afternoon. Back of him came Thanksgiving and All Amiss, second and third respectively. Away in front, Jim Thorpe, with Romanelli in the saddle, set a slow pace throughout and had something in reserve at the finish. Thanksgiving made a strong bid at the stretch turn, but could not get up.

Threatening weather conditions again prevailed, but nevertheless a large sized crowd journeyed to the course. The track was much improved over that which greeted the patrons yesterday and the racing was keenly contested.

The Champlain Stakes, the secondary attraction of the day, resulted in a jolt for the talent when Medusa was returned the winner, defeating Blazonry and Who Cares, with Hindoostan finishing last. Medusa, away quickly and in the lead, maintained her advantage to the end, shaking off Hindoostan when well in the stretch. T. Hodge boosted the winner to $1,505, an advance of $800, but failed to secure her.

Old Bill Bender, carrying the colors of the Glen Iver Stable, graduated from the maiden ranks when he lasted to beat Stucco in the steeplechase by a head in an excitign finish.

W. P. Frazer of the Ontario Jockey Club was a visitor at the course today. Mr. Duncan Campbell of the Biltmore Hotel of New York City was also a visitor today.

J. J. Murphy disposed of the contract he held on the promising apprentice J. Grune to Commander J. K. L. Ross. Grune had his first mount at Fort Erie during the summer meeting, when he rode Duc de Guise and finished second. He has had fifteen mounts, won with four of them, finished second twice and third once. The lad will remain in Canada until the conclusion of the Woodbine meeting.

DORVAL RACES TO SUIT HORSEMEN.

Fred Richard, general manager of the Dorval Jockey Club, announced today that he had instructed his racing secretary that if the conditions in the book of the meeting didn't suit the horsemen who contemplated racing at Dorval, to frame other conditions more suitable to the horses which will race there.

Frank J. Bryan will leave for New York at the conclusion of the Blue Bonnets meeting, where he will remain for a few days and then go to Maryland to close the entries for the stakes to be run at Pimlico in November.

If the ship arrives in time, which was due in New York on Wednesday, in which F. Ambrose Clark is returning from England, Mr. and Mrs. Clark will come to Montreal to witness the running of the Bartlett McLennan Steeplechase in which Minata, Elysian and Blighty II. will sport the Clark colors.

Mortimer Mahoney has the mutuel plant at Dorval in splendid shape and everything in that department is ready for the opening of the meeting.

J. B. Campbell will leave for Toronto at the conclusion of the meeting here, where he will remain until the close of Woodbine meeting.

Three carloads of horses will leave for Toronto tomorrow. The stables of W. Walker and R. J. Farris left for Thorncliffe last night.

One of the feature races on the program tomorrow is a race for two-year-olds at five and a half furlongs owned or leased by a member of the Montreal Jockey Club. The nominators will draw by lot the horses which will carry their colors and be leased by them.

M. N. Macfarlane was an arrival from Toronto this morning. He will be the steward representing the Dorval Jockey Club at their meeting, which begins on Friday.

VETERAN CAMPAIGNER WINS

Ever Green Leochares Races in Old-Time Form —Ordinary Card Provides Good Sport.

HAVRE DE GRACE, Md., September 15.—The ever green Leochares raced as of old today and delighted a large gathering at the Havre course by an impressive performance in the fifth race, easily defeating Damrosch, from the stable of J. K. L. Ross. Butwell had the mount on Leochares and kept a stout hold on the old fellow for the first three-quarters and did not make a move until the stretch turn. When called on, Leochares moved up with a display of his old-time speed, overhauled Damrosch and, after racing him into defeat, drew away into a safe lead.

While today's program was devoid of an outstanding feature, the racing proved interesting, though attended with several surprises and upsets. In the latter connection the defeat of Columbine was the most unexpected. The Forman racer was held at prohibitive odds and the talent were quite shocked to see Pocatello and Tenons Bon lead the favorite home.

Of a sensational order was the finish of the fourth race. Little Ed coming from the rear with a wonderful burst of speed to land the purse by the last few strides, with Le Dinosaure, the favorite, right at his heels.

After enjoying an apparently safe lead throughout in the third race, Charlie Summy was forced to the limit to withstand the terrific closing challenge of Betty J. The latter finished wearing the winner down and would have won in a few more strides.

A. H. Morris' Fallacy, a daughter of Light Brigade, found easy sailing in the initial dash, contested by a band of maiden two-year-old fillies. Blue Belle finished second and paid $52.30 for $2 to place.

Capt. Ral Parr showed a promising jumper in Bullseye, which won the race through the field in fine style after overcoming considerable early interference caused by the riderless War Togs.

Entries to the remaining stakes to be run here are large numerically and include many of the top-notch racers of the year.

CURRENT NOTES OF THE TURF

There will be a race for Canadian-breds every day at Thorncliffe Park.

J. S. Bussey is training a public stable at Havre and has five horses in it at present.

R. T. Wilson's Thunderstorm scored his third straight victory when he won at Belmont Park Tuesday. He is an exceptionally fast horse.

Fifty additional stalls have been built at Thorncliffe Park, but even then the accommodations will fall short of the demand for stabling room.

Entries for the 300-mile endurance race to be run October 11, starting at Fort Ethan Allen, Vt., and finishing at Camp Devens, Mass., closed yesterday.

Sir William Johnson's success at Havre Tuesday was his fourth consecutive winning race, his three previous victories having been scored at Timonium and Marlboro.

The meeting scheduled to begin at Chagrin Falls, Cleveland, O., on September 18 has been postponed to September 25 in order to avoid conflict with the Cleveland Baseball Club's home engagements.

A. V. Thomas, the owner of Yowell, has arrived at the Woodbine Park with his string, which includes three horses from Calgary. These are the four-year-old York Road, the three-year-old Glenelva Lass and the two-year-old Marjorie Wells.

OLD PLATER YORKVILLE DROPS DEAD

The plater Yorkville, owned by E. L. Fitzgerald, dropped dead while being galloped at Blue Bonnets Tuesday. The horse had been rested up all summer and was apparently in splendid condition.

OPENING DAY AT AQUEDUCT

Prospects Excellent for Some Great Racing at Popular Course of Queens County Jockey Club.

NEW YORK, N. Y., September 15.—The autumn meeting of the Queens County Jockey Club will be inaugurated at Aqueduct tomorrow. There has been a most liberal increase in the added money in all of the stakes, a total of $15,000, or an average of $1,000 for each event, to be exact. In addition to this there is no purse less than $1,000, and many of them have $1,200 added, so that there will be every incentive for horsemen to patronize the meeting most liberally. The chief event of the meeting will be the Aqueduct Handicap, with $5,000 added, which will be run on Saturday, September 25. It is at one mile and five-sixteenths, and is the longest distance race on the program. It has Exterminator, Mad Hatter, Cleopatra, Wildair, Audacious, John P. Grier, On Watch and other good ones among the nominations.

For the opening day program the Arverne Handicap of $3,000 added and the Bellerose Stakes are provided as features. The Arverne Handicap is for three-year-olds and over at three-quarters of a mile and has attracted a field of eight, with plenty of speed represented. With Naturalist, Lord Brighton, On Watch, Dr. Clark, Krewer, Audacious, Panoply and Wedding Cake the named overnight acceptances, the spectators are assured of a contest well worth seeing.

The Bellerose Stakes, for two-year-olds, has none of the star juveniles among its probable starters owing to the selling conditions of the race, but those named to meet are well matched and a spirited contest should result.

Saturday, September 18, the Brunswick Steeplechase Handicap, $2,500 added, over a two-mile course, has twenty-eight nominations, including Square Dealer, Syosset and Wisest Fool. The Edgemere Handicap, for three-year-olds and over, at one mile and an eighth, has $3,500 added, and closed with twenty-nine nominations. It will also be run Saturday, September 18. Fair Gain, John P. Grier, Dr. Clark, Naturalist, Audacious, Exterminator and On Watch are some of the eligibles.

Monday, September 20, the Oakdale Handicap, $3,000 added, three-quarters of a mile, has sixty-four nominations, including every good two-year-old in training with the exception of Leonardo II. Tuesday the Woodmere Selling Stakes, for three-year-olds and over, at three-quarters, with $2,000 added, has twenty-five nominations, among them such clever platers as Yellow Hand, Nightstick, Jadda, Tippity Witchet and Arnold. The Bayview Handicap, $3,000 added, a mile and a sixteenth, and having thirty-two nominations, is the feature for Wednesday, September 22. Among the nominations are Exterminator, Audacious, Upset, Naturalist and Fair Gain. All the crack fillies will meet in the Beldame Handicap at five-eighths of a mile, $3,000 added, on Thursday, September 23. The public will get a line on Mr. Vosburgh's estimate of the filly form of the year in this race.

On the following Monday the Glen Cove Selling Stakes, $2,000 added, at seven-eighths of a mile, will be decided. There are seventeen high-class nominations. On the following day the Babylon Handicap for two-year-olds, $3,500 added, at three-quarters of a mile, and having fifty-nine nominations, is down for decision. The feature for Wednesday, September 29, will be the Roslyn Handicap, $3,500 added, for three-year-olds, at one mile and a sixteenth. It has thirty high-class entries, and a splendid race must result from its running. The meeting will come to a close on Thursday, September 30, with the Stonybrook Selling Stakes, $3,000 added, for three-year-olds and over, at one mile.

The track is in perfect condition, and there are now several hundred horses quartered there.

HORSE EMBARGO MODIFIED

Through the efforts and the co-operation of the Atlantic Transport line the United States government has modified the embargo on imports of horses from England in such a way that most of those now awaiting shipment there can come in. The new regulations provide, however, that they must be shipped on a vessel carrying no cattle or other live stock, and they must come from districts not now quarantined on account of the foot and mouth disease among cattle.

All feed and bedding for them must be inspected and approved by the agent of the Bureau of Animal Industry in London, and their attendants on shipboard must be men who have not recently had the care of cattle, sheep or swine in England. If deemed advisable the feet and legs of all horses will be disinfected before loading.

Such are the precautions required to guard against the introduction of foot and mouth disease into the United States. It has been stamped out of every county in England, except Norfolk, so that horses from all other areas or from Scotland or Ireland may be admitted.

The Atlantic Transport line has set aside the steamship Michigan for horse shipments to the United States and it will leave London on or about September 25 with a large number of race horses, polo ponies, hunters, hackneys and other horses that have been held up by the embargo on imports.

It is on the Michigan that Mr. Simms' Prince Palatine and Mr. Sanford's Nassovian are to come to the United States.

NEW JUDGES' STAND AT WOODBINE

Reports from Toronto are that a new judges' stand has been erected at Woodbine Park. The new structure is a three-decker. Francis Nelson, the steward representing the Canadian Racing Associations on all the big Canadian tracks, will, it is said, recommend the construction of stewards' stands at several of the courses, which will be located on the inside of the track about 100 feet above the finishing line.

BATTERSEA WINS FRENCH ST. LEGER

J. Rutgers-Leroy's Battersea, 3, by Sea King—Bats Delight, bred by the late W. K. Vanderbilt, and racing in the Vanderbilt stable colors, yesterday won the Omnium Stakes, the French St. Leger, at the resumption of the Metropolitan racing season at Auteuil. Sixteen horses started. The winner was ridden by Frank O'Neill, the American jockey, and paid 3 to 1 in the betting.

EXTERMINATOR'S NEW MARK

Damask Runs a Great Race Also —Belmont Park Racing of 1920 at an End.

NEW YORK, N. Y., September 15.—The closing day's racing for the year at Belmont Park brought out a big concourse. The Autumn Gold Cup at two miles, one of the new stake races, was the feature. Only three faced the starter, with Exterminator ruling the choice. In addition to $4,100 in money a beautiful gold trophy valued at $500 went to the winner. Exterminator won, but only by a head, and that after a grueling stretch duel with the lightly-weighted Damask. Cleopatra was third a length and a half back. Cleopatra set the pace, closely attended by Damask. Exterminator was under restraint four or five lengths back of the leaders for the first mile. The great McGee gelding attempted to come to the inside when entering the stretch, but the leaders cut him off, and Fairbrother took him to the outside. The finish was a thriller, the sturdy old campaigner creeping up on Damask inch by inch until he got to the front in the last strides. Damask raced and stayed gamely and was fighting it out with Exterminator all through the final furlong. It was in all respects a grand race and set a new American record for the distance, reducing Everett's long-standing 3:25⅘ by nearly four seconds.

The Roxbury Selling Handicap at one mile brought six to the post, with Major Parke ruling the choice. The public had it right, for Major Parke won in a driving finish with Veto and Tom McTaggart. Major Parke set a fast pace, with Tom McTaggart closely attending. When coming into the stretch Veto came fast next to the rail and took the lead when an eighth out. Mooney, however, got to work on Major Parke and the black colt, responding well to punishment, got up in the last few strides to beat Veto by a half length, with Tom McTaggart lapped on Veto. The others were never prominent.

The Brookdale Handicap Steeplechase at about three miles resulted in a victory for W. M. Jeffords' Barklie. The J. E. Widener pair, Skibbereen and Wisest Fool, were heavily backed and at the close of operations were at odds-on. Skibbereen led nearly all the way, taking the last jump two lengths in front of Barklie. On the flat, however, Barklie displayed the most speed and overhauled Skibereen fifty yards out, winning by a length and a half. The handicap netted the winner $3,850.

EASY VICTORY FOR HENDRIE.

F. D. Weir's Hendrie took the opening dash from a band of inferior platers, with Tarascon second and Our Nephew third. Hendrie was odds-on and after running Yankee Notions into defeat in the first half had little contention. Tarascon ran a much better race than in his previous essay, coming resolutely in the last eighth. Dioscoride, about which there had been some activity, was practically left at the post.

About fifty trainers convened in the clubhouse at Belmont Park this afternoon to comply with the request of President August Belmont in which he a few days ago suggested that a committee named by the trainers would be received by the Westchester Racing Association in matters concerning the conduct of racing at Belmont Park.

P. M. Burch acted as chairman of the meeting. The committee appointed was A. J. Joyner, chairman; T. J. Healey, vice-chairman; George Odom, to represent the trainers at Jamaica, and J. Fitzsimmons to represent the trainers at Aqueduct. P. M. Burch was named as ex-officio member.

W. R. Midgely was appointed secretary. The committee on motion was also instructed to endeavor to extend its powers further than Belmont Park as to racing matters and encompass all the metropolitan tracks, by requesting a conference with the officials of the other tracks.

Soon after the meeting adjourned a petition was circulated asking the trainers' committee to communicate with The Jockey Club in an endeavor to have the present selling and claiming race rules changed to the rules now in use in Kentucky.

P. J. Rush has purchased the two-year-old Silence from the Foreign Stable on private terms. Silence will be trained by L. J. Reinheimer.

Service Star was claimed for $1,300 out of the first race under the French rules, which caused his withdrawal.

EXPENSIVE ENGLISH HORSES FOR INDIA

LONDON, England, September 15.—Two of the best of this year's horses, Montieth and Western Wave, having been passed sound by J. Coleman, the Epsom veterinarian on behalf of the Jam of Nawanagar, an Indian potentate and sportsman, they go into Godfrey's stables at Epsom, to be subsequently shipped to India with Bruce Lodge, Women and Wine, The Clown and probably others. Godfrey goes over with the horses and will train them in India.

Monteith is best at a long distance and is a four-year-old by Santoi—Benamet. Western Wave's forte is sprinting. He won the Goodwood Stewards' Cup this year, and is a chestnut four-year-old by Prospector—Star of Eve. The horses are said to have cost the Jam some $200,000.

PLATER FAIR AND WARMER DISAPPEARS

MONTREAL, Que., September 15.—Fair and Warmer, a Canadian-bred plater which races for J. S. Whatley mysteriously disappeared from her stall at the track at Blue Bonnets last night. A stable attendant fed her between the hours of eleven and twelve and on arrising this morning at four the stall was vacant. A search of the neighboring stables and farms failed to reveal any trace of the missing thoroughbred.

GREY LAG IS BRED IN THE PURPLE

John E. Madden nominated four colts for next year's Epsom Derby, but all have been declared except Grey Lag, which he sold to Max Hirsch. The other three were:

Chestnut colt, by Star Shoot—Futurist.
Bay colt, by Star Shoot—Pedigree.
Chestnut colt, by Ormondale—Outcome.

Mr. Madden thinks that Grey Lag will prove a fine three-year-old, as he considers him one of the best bred youngsters he has sent out for some time. Grey Lag's first dam is Miss Minnie, by Meddler; second dam Spectrum, by Orvieto; third dam False Sight, by Melton; fourth dam Mirage, by Speculum.

LATONIA CUP HANDICAP

Cream of Long-Distance Racers Named for the Two-Mile-and-a-Quarter Race to Be Run at Latonia.

An old-fashioned race at a regular cup distance. Such is the Latonia Cup of $7,500 added at two miles and a quarter. This will be one of the salient features of the coming Latonia meeting and promises a great contest. Prominent among the eligibles are Commander Ross' Sir Barton and Boniface, W. S. Kilmer's hero Exterminator, Bondage, Drastic, Under Fire, Stockwell, Beaverkill, Freecutter, Audacious, Minto II. and others of the older division more or less noted for their ability to run far and fast. In addition to these veterans, a grand band of three-year-olds are named as probable starters, including such as the Whitney group, consisting of Wildair, John P. Grier, Dr. Clark, Upset, Damask; E. R. Bradley's Busy Signal and Best Pal; G. W. Loft's Donnacona, the crack western star, Paul Weidel, and W. F. Polson's Peace Pennant. The prospects for a large and high-class field for a race of this description were never better. It is hoped that the Latonia Cup will not meet the fate most of the long-disance features have in the recent years, that of dwindling down to one or two starters. The entries and conditions of the race follow:

The Latonia Cup—$7,500 added. A handicap for three-year-olds and over. By subscription of $20 each; $100 additional to start; $7,500 added, of which $800 to second, $400 to third, the fourth to save its stake. Weights six days before the race. Winners after publication of weights, 3 lbs. extra. Starters to be named through the entry box the day before the race at the usual time of closing. The winner to receive a silver trophy. Forty-one nominations. Two miles and a quarter.
